

2019 Summer Reading Program, where there's something for everyone!

A sneak peek at what you can expect:

- To tap into all the wonder of the universe this summer with projects, games, books, STEAM (science, technology, engineering, art, and math) programs and more which celebrate this glorious Universe of Stories.
- Learn about space pioneers and modern scientists, exploring and learning about outer space, and then bring those discoveries back to Earth!
- Crafts galore - because nothing inspires the use of paint, chalk, glitter and all the supplies of the craft closet like a starry, starry night!
- Hosting some amazing guest this summer from places like:

We're offering some out-of-this-world events for the adults of the community too, such as:

- an evening with a UFOlogist,
- Exploration with an Astronomer,
- Game nights,
- Crafts,
- And more!
